ARTICLE 5 MEMBERS

Section 5.1. Categories of Membership.

Membership shall be open to any individual who is an athlete, coach, routesetter, volunteer, official, supporter or otherwise involved with and interested in the goals and objectives of USA Climbing. Membership shall be granted without discrimination on the basis of race, color, religion, age, disability, national origin, gender, sexual orientation, or gender identity. All categories of membership can be found in the USA Climbing Membership Guidelines document, available at www.usaclimbing.org. Members may register for membership in more than one category, subject to eligibility, and in some cases may be required to register in more than one category; provided that membership in multiple categories is subject to the limitations on Athlete voting rights set forth in these Bylaws in Sections 5.2, 7.6(b), Article 11 and Article 12.

Section 5.2. Voting by Members and Others: No Annual Meeting of Members.

- a. No voting privileges are conferred upon members or others except as otherwise explicitly set forth in these Bylaws such as for members of the Board of Directors to cast a vote as Board members, for members of committees, working groups, and task forces to cast a vote as members thereof, and for Athlete members to vote in accordance with Sections 7.6(b) (Election of Athlete Directors), Article 11 (USA Climbing's Athletes' Advisory Committee), and Article 12 (USOPC Athletes' Advisory Council). Without limiting the foregoing, there is no requirement for annual meetings of any members.
- b. An Athlete eligible to vote may cast only one vote, even if registered as an Athlete in multiple categories (e.g., an 18-year old Athlete registered as a Competitor member and as a Collegiate and/or Paraclimbing member).

- c. An individual may have voting privileges only if he or she meets the eligibility requirements under Section 11.8(a) below.
- d. In the case of any election, an individual shall be a member of USA Climbing in good standing in order to be eligible to vote in such an election or be eligible for nomination of an elected position except that for purposes of the election described in Article 12 below (USOPC Athletes' Advisory Council), voting is also open to individuals who are not members of USA Climbing, provided that such individuals can document their eligibility to vote pursuant to the Bylaws of the USOPC.

Section 5.3. Membership Requirements, Privileges and Dues.

- a. Membership in USA Climbing is a privilege and creates with it certain obligations and duties. The Board of Directors may establish such membership requirements and dues as the Board shall deem necessary or appropriate. The Board of Directors also may restrict certain privileges to sub-sets of members who meet criteria established by USA Climbing in consultation with the Board of Directors and published to members in the USA Climbing Rulebook, in membership guidelines, and/or on the USA Climbing Website, including designations of coach certification, judge certification, and routesetter certification, and the privileges attendant thereto.
- b. It is the duty of each USA Climbing member to comply with all anti-doping rules of the International Federation of Sport Climbing (IFSC), the World Anti-Doping Agency (WADA), the USOPC including the USOPC National Anti-Doping Policy, and the U.S. Anti-Doping Agency (USADA), including the USADA Protocol for Olympic and Paralympic Movement Testing (USADA Protocol) and all other policies and rules adopted by the IFSC, WADA, the USOPC, and USADA. Members agree to submit to drug testing by the IFSC and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension. If it is determined that a member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of the IFSC and/or USA Climbing, if applicable or referred by USADA.
- c. As a condition of membership in USA Climbing and a condition for participation in any competition or event sanctioned by USA Climbing or its member organizations, if any, each member of USA Climbing, each athlete, coach, trainer, agent, athlete support personnel, medical or para-medical personnel, team staff, judge, routesetter, official and other person who participates in USA Climbing or USA Climbing events (whether or not a USA Climbing member), agrees to comply with and be bound by the safe sport rules, policies and procedures of the U.S. Center for Safe Sport and to submit, without reservation or condition, to the jurisdiction of the U.S. Center for Safe Sport for the resolution of any alleged violations of those rules, policies and procedures, as may be amended from time to time. To the extent any USA Climbing rule is inconsistent with the rules of the U.S. Center for Safe Sport, such rule is hereby superseded.
- d. These Bylaws, or a USA Climbing policy, may require that USA Climbing members holding or seeking certain USA Climbing appointed or elected positions, including leadership positions, be required to satisfy additional criteria for gaining and holding such positions and/or be free of disqualifying criteria. Similarly, third parties such as the USOPC and the IFSC may have additional qualifying or disqualifying requirements. An individual seeking to gain or retain such a position must make disclosure upon the existence or occurrence of any disqualifying condition, and also must make disclosure upon becoming aware of any pending allegation, charge, or investigation that, if decided unfavorably to the individual, would render the individual ineligible to

serve in such position under these Bylaws, applicable USA Climbing policies, or applicable third party requirements, together with disclosure of the existence or occurrence of any Private Interest under Article 18 of these Bylaws (collectively, "Background Disclosure"). The individual making Background Disclosure must make or permit to be made the Background Disclosure to those who are assessing the individual's qualifications for election, appointment or retention and whose input is sought in connection with such assessment, including without limitation the Nominating and Governance Committee, athlete voters, the Board, relevant USA Climbing staff, and other relevant committees, task forces and working groups.

Section 5.4. Termination of Membership.

The membership of any member may be terminated at any time with cause by the Board of Directors. A member shall have the right to fair notice and a hearing prior to such termination, under Article 15 below.

Section 5.5. Transfer of Membership.

Membership is for the named member and is non-transferable. Members shall have no ownership rights or beneficial interests of any kind in the property of USA Climbing.

ARTICLE 6 REGIONS AND DIVISIONS

Section 6.1. Regions and Divisions.

The Board of Directors shall divide the United States into geographic Regions and Divisions as the Board determines, in its sole discretion, will best serve the interests of competition climbing. The Board may change the geographic Regions and Divisions at its discretion and if such changes could not reasonably be expected to have a material adverse impact on the qualification cycle for international competition. The Regions and Divisions shall be an extension of USA Climbing and not separate entities.

ARTICLE 7 BOARD OF DIRECTORS

Section 7.1. General Powers.

Except as otherwise provided in these Bylaws, all corporate powers shall be exercised by or under the authority of, and the business and affairs of USA Climbing shall be governed by its Board of Directors (the "Board of Directors" or the "Board").

Section 7.2. Function of the Board.

The USA Climbing Board of Directors shall represent the interests of the competition climbing community for USA Climbing in the United States and its athletes by providing USA Climbing with policy, guidance and strategic direction. The Board shall oversee the management of USA Climbing and its affairs, but it does not manage USA Climbing.

The Board shall select a well-qualified and ethical CEO (defined and further described in Section 14.1 below). The Board shall diligently oversee the CEO in the operation of USA Climbing. The Board shall focus on long-term objectives and impacts rather than on day-to-day management, empowering the CEO to manage a staff-driven organization with effective Board oversight. In addition, the Board performs the following specific functions, among others:

- a. implements procedures to orient new Board directors, to educate all directors on the business and governance affairs of USA Climbing, and to evaluate Board performance.
- b. Selects, compensates, evaluates, and terminates the CEO and key employees and plans for management succession;

- c. reviews and approves USA Climbing's strategic plan and the annual operating plans, budget, business plans, and corporate performance;
- d. sets policy and provides guidance and strategic direction to management on significant issues facing USA Climbing;
- e. reviews and approves significant corporate actions;
- f. oversees the financial reporting process, communications with stakeholders, and USA Climbing's legal and regulatory compliance program;
- g. oversees effective corporate governance;
- h. approves capital structure, financial strategies, borrowing commitments, and long-range financial planning;
- i. reviews and approves financial statements, annual reports, audit and control policies, and, upon the recommendation of the Audit Committee, selects independent auditors;
- j. monitors to determine whether USA Climbing's assets are being properly protected;
- k. monitors USA Climbing's compliance with laws and regulations and the performance of its broader responsibilities;
- l. ensures that the Board and management are properly structured and prepared to act in case of an unforeseen corporate crisis;
- m. ensures that athlete safety rules, policies, and procedures comply with the requirements of the USOPC and U.S. Center for SafeSport;
- n. reviews and approves the Nominating and Governance Committee's recommendations for new director[s] (other than athlete directors) in accordance with the procedures set forth in Section 7.5 below.

Section 7.3. Diversity of Representation and Discussion.

USA Climbing's Board shall seek diversity across all aspects of USA Climbing. As described below in Section 9.16(e), the Nominating and Governance Committee shall take diversity into account when selecting Board members under Section 7.6 below. Further, the Board shall develop and implement a policy of diversity, maintain norms that favor open discussion, and presentation of different views across all aspects of USA Climbing, supported by efforts to accomplish that diversity.

Board of directors or other governing board members must be selected without regard to race, color, religion, age, disability, national origin, gender, sexual orientation, or gender identity, except that USA Climbing shall have reasonable representation of both males and females on the board of directors or other governing board.

Section 7.4. Qualifications.

Each director of the Board of Directors must be a citizen of the United States and eighteen (18) years of age or older. A director need not be a resident of the state of Utah. Each director must be a member in good standing of USA Climbing and must support the mission of USA Climbing. A director shall (i) have the highest personal and professional integrity, (ii) have demonstrated exceptional ability and

judgment, and (iii) be effective, in conjunction with the other members of the Board, in collectively serving the long-term interests of USA Climbing. Directors shall possess the highest personal values, judgment and integrity, understanding of athletic competition and the Olympic and Paralympic ideals, and have diverse experience in the key business, financial, and other challenges that face USA Climbing. An individual is ineligible to serve on the Board of Directors if such individual has a felony conviction or any other violation that would disqualify the individual under USA Climbing's Background Check Policy. When expressing interest in serving on the Board, an individual must make Background Disclosure as required under Section 5.3(d) and such other disclosure as requested by the Nominating and Governance Committee. Directors shall have a high level of experience and capability in Board oversight responsibilities, including in the areas of finance, marketing, fundraising, audit, management, communications, and sport.

Directors shall inform the Nominating and Governance Committee of any material changes in their independence (within the meaning of Section 7.7 below), employment responsibilities or other constraints on their time in order for the Nominating and Governance Committee to determine whether it is appropriate to nominate the Board director for continuing Board service.

Section 7.5. Number.

The Board of Directors shall consist of fifteen (15) total directors, at least three (3) of whom shall be Independent Directors (as defined in Section 7.7 below), and at least five (5) of whom shall be Athlete directors, and the rest of whom shall be drawn from appropriate representation in the United States climbing community, as described herein. The Athlete directors must meet the requirements of Section 7.6(b) below. In the event that vacancies occur in Board positions, then the Board shall direct the Nominating and Governance Committee to use its best efforts to recruit and recommend individuals to fill such vacancies or vacated positions within six (6) months or as soon as practicable thereafter, except that vacancies for the Athlete directors will be filled in accordance with Section 7.6.b. In the event the Board rejects an individual recommended by the Nominating and Governance Committee to fill a vacancy, the Nominating and Governance Committee shall recommend alternate qualified individuals to fill such vacancy until the Board approves a recommendation. If there are no directors on the Board of Directors who also serve as officers or directors of a non-profit foundation established to provide fundraising, development, and other support to and for USA Climbing (such foundation, when established and operating, the "Foundation"), the Chair of the Foundation's board of directors, or his or her designee if an officer or director of the Foundation, will be permitted to sit as a non-voting observer member of the Board of Directors, provided that such observer member is ineligible for such role if the individual has a felony conviction or any other violation that would disqualify the individual under USA Climbing's Background Check Policy. Any such observer member must make Background Disclosure as required under Section 5.3(d) and such other disclosure as requested by the Nominating and Governance Committee, the Board, the CEO or their designees.

Section 7.6. Election/Selection.

The USA Climbing Board of Directors shall be elected/selected as follows:

- a. RESERVED.
- b. Selection Process and Criteria:
 - i. Independent Directors. The Nominating and Governance Committee shall recommend independent directors, as outlined in Sections 7.5 and 7.7.
 - ii. Athlete Directors. Athlete directors on the Board shall meet the eligibility requirements in Sections 7.4 and 7.5. In addition:
 - a. At least three (3) of the five (5) Athlete directors must be 10 Year Athlete Representatives, and the others may be 10 Year or 10 Year + Athlete Representatives, each as defined in Section 11.8 below.

- b. At least one (1) of the five (5) Athlete directors must be USA Climbing's USOPCAAC Representative as defined in Article 12 below (or in the event of such person's ineligibility, then USA Climbing's USOPC AAC Alternate), and this person will be counted as one of the three (3) 10 Year Athlete Representatives on the Board.
- iii. Athlete Director Election. The Athlete director(s) on the Board shall be directly elected by Athletes eligible to vote in the following manner. Notwithstanding that USA Climbing's Amended & Restated Articles of Incorporation, Article IV, call for the entire voting power of USA Climbing to rest with the Board of Directors, with members having no voting rights, Athletes shall have the limited voting rights described in this Section 7.6(b)(iii) for the limited purpose of selecting Athlete directors. An Athlete director serving as both USA Climbing's USOPC AAC Representative (or USOPC AAC Alternative) and USA Climbing Athlete director on the Board shall be directly elected by Athletes under Article 12 hereof. Other Athlete directors will be elected as set forth in 7.6(b)(iii)(a) and (b) and 7.6(b)(iv) below.
- a. Invitation for Athlete Participation. In connection with vacancies or anticipated vacancies for Athletes directors on the Board, the Board, the Nominating and Governance Committee, or the CEO shall send, or cause to be sent, an invitation for Athlete candidacy. Such invitation may be sent by electronic communication, including by email or by posting on the website of USA Climbing.
- b. Expression of Interest. An individual eligible to vote in the election under Sections 5.2 above and 11.8(a) below, eligible to stand for election under Section 7.6(b)(ii) above, eligible to serve as a director under Section 7.4 above, and who wishes to run for election to the Board and to be placed on the ballot shall indicate such interest in writing (which may include electronic communication) whereupon the individual shall be considered an athlete candidate ("Athlete Candidates"). Because an individual is ineligible to serve on the Board of Directors if such individual has a felony conviction or any other violation that would disqualify the individual under USA Climbing's Background Check Policy, and so that voters can assess a candidate's skills and qualifications, an Athlete Candidate expressing interest in standing for election to the Board must make Background Disclosure as required under Section 5.3(d), and must permit such Background Disclosure to be disclosed to voters in the election.
- iv. Election. The Athlete Candidates shall stand for election by vote of Athletes who meet the eligibility requirements under Sections 5.2, 7.4 and 7.6(b)(ii) above and 11.8(a) below. The Athlete with the highest vote total is elected (subject to the requirements for 10 Year and 10 Year + Athlete Representatives in Section 7.6(b)(ii) above), and the second vacancy, if applicable, is filled by the Athlete with the next highest vote total who is *not*, as of the date that candidates first stood for the election, identifying as the gender of the Athlete with the highest vote total (subject to the requirements of Section 7.6(b)(ii) above). The third vacancy, if applicable, is filled by the Athlete with the next highest vote total who is a Paraclimbing Athlete if a Paraclimbing Athlete is not otherwise seated on the Board. Additional vacancies, if any, will follow according to vote total subject to Section 7.6(b)(ii).

By way of example, if there are no vacancies on the Board that could be filled by a 10 Year + Athlete Representatives, then a 10 Year + Athlete may not be a candidate in the election. If there is one vacancy on the Board that could be filled by a 10 Year + Athlete, then the Nominating and Governance Committee will permit 10 Year + Athletes to run in the election. If the highest vote total is obtained by a 10 Year +

Athlete Representative, then that Athlete will be seated on the Board. If the next highest vote winner also is a 10 Year + Athlete, then such person will not be seated on the Board, even if satisfying the alternating gender requirement, if there are no vacancies remaining for a 10 Year + Athlete Representative. In such case, consideration will move to the next highest vote-winning Athlete who meets the criteria for seating on the Board.

In the case of a tie among candidates with a vote total that would result in the filling of a Board seat but for the tie, a runoff election shall be conducted consisting only of such tied candidates. Notwithstanding the foregoing, if an Athlete director has been elected to serve for one term, s/he may choose to stand for a vote of retention for a second term, and in such event the USAC AAC (as defined in Article 11 below but without participation by the Athlete director if he or she is a member of the USAC AAC) will have authority to vote as to whether such Athlete director will be so retained as a director. When expressing interest in standing for a vote of the USAC AAC for retention, the Athlete director must make Background Disclosure to the USAC AAC as required under Section 5.3(d).

- v. Other Directors. The Nominating and Governance Committee shall recommend the remaining directors as required by Section 7.5.
 - a. If in the future there are amateur sports organizations that are permitted under amended versions of these Bylaws to register as affiliated organizations and which conduct a national competition climbing program, or regular national amateur climbing competitions, on a level of proficiency appropriate for the selection of amateur athletes to represent the United States in international amateur climbing competitions, then the Board shall consider, adhering to any applicable requirements under the Ted Stevens Act, whether to admit such organizations as USA Climbing members in a category appropriate therefor, and the Board shall consider amending these Bylaws to add or reserve a seat on the Board for one Board member to represent the collective interests of any and all such organizations.

Section 7.7. Independence.

The Board of Directors, in consultation with the Nominating and Governance Committee, shall affirmatively make a determination as to the independence of each Independent Director. An Independent Director shall be determined to have no material relationship with USA Climbing, either directly or through an organization that has a material relationship with USA Climbing. A relationship is "material" if, in the judgment of the Board of Directors, it could interfere with the director's independent judgment. In determining whether a director is independent, the guidelines set forth below shall be applied on a case by case basis. However, the Board of Directors shall presume a director or proposed director to lack independence (which presumption may be rebutted under facts and circumstances to be considered by the Board of Directors) if, within the preceding four (4) years before the start date of the director's term or during the director's tenure on the Board, one or more of the following is true:

- a. the director or the immediate family of the director was employed in a paid or volunteer role by USA Climbing or the IFSC (other than their director role and other governance roles with USA Climbing and/or the IFSC and the reimbursement of related expenses thereto), or the IFSC Pan American Council;
- b. an immediate family member of the director was or is active as an Athlete member of USA Climbing;
- c. the director was employed by USA Climbing's outside auditor or outside counsel (other than pro bono counsel);

- d. an immediate family member of the director was employed by USA Climbing's outside auditor or outside counsel (other than pro bono counsel) as a partner, principal or manager;
- e. the director was or is a member of USA Climbing's Athletes' Advisory Committee or is an immediate family member of an Athlete director(s) on the Board;
- f. the director was or is a member of any constituent group with representation on the Board;
- g. the director receives any compensation from USA Climbing, directly or indirectly, excluding any cost or expense reimbursement;
- h. the director is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USA Climbing, provided that active involvement by an individual or an individual's immediate family member with the Foundation, including, without limitation, as a member of the board of directors or an officer of the Foundation, shall not, in and of itself, undermine an individual's independence;
- i. the director is the parent or close family member or coach of an athlete that has competed in a USA Climbing protected competition as outlined in these Bylaws; or
- j. the director is a member of USA Climbing in a membership category that participates in protected competitions.

The independent director must maintain an independent perspective by continuing to adhere to the requirements for independence outlined above for their entire term and any successive term. Should one or more of the guidelines listed above become applicable to an independent director during the director's term, the director shall be presumed to have lost independence (which presumption may be rebutted by facts and circumstances considered by the Board of Directors). In such event, the Board shall, at its discretion, either reclassify the director as non-independent or remove the director from the Board. Where the guidelines above do not address a particular relationship, the determination of whether the relationship is material, and whether a director is independent, shall be made by the Board in consultation with the Nominating and Governance Committee.

Section 7.8. Tenure.

Effective upon adoption of these amended and restated Bylaws and in accordance with Section 7.6(b) above, the term of office for a director of the Board of Directors shall be four (4) years. The Board shall have the discretion to modify at any time the term of any director by no more than one year as necessary to maintain the staggered nature of the Board of Directors. A director shall hold office until the director's successor is elected and qualified, or until the director's earlier resignation, removal, incapacity, disability or death.

Section 7.9. Staggered Board.

Effective upon adoption of these amended and restated Bylaws and in accordance with Section 7.6(b) above, directors of the Board shall be elected to staggered four (4) year terms.

Section 7.10. Term Limits.

No director of the Board of Directors shall serve more than two (2) consecutive terms, except that the term of any director whose term would expire part-way through an even-numbered year may be further extended to December 31 of such even-numbered year. A person who previously served as a director shall be eligible to serve again as a director if at least two (2) years have elapsed since the person last served as a director.

When a director is elected/appointed to fill a vacancy because of the resignation, removal, incapacity, disability or death of a director, and the remaining term is two (2) years or more, such term shall constitute a full term. Thus, if the vacancy being filled is for two (2) or more years, the director may serve one additional four (4) year term following completion of the filled vacancy term. If the vacancy being filled is for less than two (2) years, the term shall not be a full term and the director shall be able to serve two (2) additional four (4) year terms following completion of the filled vacancy term.

Section 7.11. Director Attendance.

Directors of the Board shall be expected to attend all regularly scheduled Board meetings. Directors shall be required to attend no less than one half (1/2) of all regularly scheduled Board meetings.

Section 7.12. Resignation, Removal and Vacancies.

A director's position on the Board of Directors shall be declared vacant upon the director's resignation, removal, incapacity, disability or death. Any director shall resign at any time by giving written notice to the President of the Board, except the resignation of the President of the Board shall be given to the full Board. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Directors may be removed by the Board if they fail to attend at least one half (1/2) of the regular meetings of the Board during any twelve (12)- month period, unless they are able to demonstrate to the other directors of the Board that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent directors may be removed by the affirmative vote of a majority of the voting power of the Board (not including the voting power of the absent director). Directors may also be removed for cause at any duly noticed meeting of the Board, and after being provided an opportunity for the director to be heard by the Board, upon the affirmative vote of at least two-thirds (2/3) of the total voting power of the Board (excluding the voting power of the director in question). Directors may also be removed without cause at any duly noticed meeting of the Board, upon the affirmative vote of at least three-fourths (3/4) of the total voting power of the Board (excluding the voting power of the director in question). Any vacancy occurring in the Board shall be filled as set forth for the election of the director of the Board. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office, subject to Section 7.10 above.

To the extent that the USOPC AAC permits additional flexibility to allow for other participation to suffice, for example expanding the range of international competitions and/or permitting athletes who have otherwise been actively engaged in competition within the sport, such as for the initial seating of USA Climbing’s representative given that competition climbing is a new Olympic sport, the eligibility requirements in this Article 12 will be construed so as to permit such flexibility.

In the case of a tie of the candidates with the highest vote total (or a tie of the candidates with the next highest vote total in the case of the Alternate), a runoff election shall be conducted for the tied position consisting of those tied only.
- d. To the extent that the USOPC AAC requires procedure(s) for the election of eligible Athletes that differs from or supplements the foregoing, these Bylaws shall be deemed amended to conform to such required procedure(s).

Section 19.1. Indemnification.

- a. **General Authority.** Unless otherwise prohibited by law, USA Climbing shall have the power to indemnify any current or former director, committee working group or task force member, officer, employee, or volunteer who, when acting within the scope of his or her duties for USA Climbing, was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action, suit, or proceeding by or in the right of USA Climbing) by reason of the fact that such person is or was acting in such capacity, or was or is serving at the request of USA Climbing as a director, committee member, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, from and against any and all out-of-pocket expenses (including, but not limited to, attorneys' and experts' fees and costs), judgments, fines and amounts paid in settlement that are actually and reasonably incurred by such person in connection with any such action, suit, or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in the best interests of USA Climbing, in the case of conduct in an official capacity, or in all other cases, at least not opposed to the best interests of USA Climbing and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful, provided, however, that USA Climbing shall not indemnify any such person in relation to matters as to which such person shall be adjudged in a final, non-appealable order of a court of competent jurisdiction to be liable for willful misconduct or receipt of a financial benefit to which such person is not entitled. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interests of USA Climbing, or acted with gross negligence or willful conduct and, with respect to any criminal action or proceeding, had reason to believe that such person's conduct was unlawful.
- b. **Proceeding By or in the Right of USA Climbing.** Unless otherwise prohibited by law, USA Climbing shall have the power to indemnify any current or former director, committee, working

group or task force member, officer, employee or volunteer of USA Climbing who, when acting within the scope of his or her duties for USA Climbing, was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by or in the right of USA Climbing to procure a judgment in its favor by reason of the fact that such person is or was serving in such capacity, or was or is serving at the request of USA Climbing as a director, committee member, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, from and against any and all out-of-pocket expenses (including, but not limited to, attorneys' and experts' fees and costs), judgments, fines and amounts paid in settlement that are actually and reasonably incurred by such person in connection with any such action, suit, or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in the best interests of USA Climbing, in the case of conduct in an official capacity, or in all other cases, at least not opposed to the best interests of USA Climbing; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged in a final, non-appealable order of a court of competent jurisdiction to be liable to USA Climbing unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court shall deem proper.

- c. **Mandatory Indemnification.** To the extent that a present or former director, committee, working group or task force member, officer, employee or volunteer of USA Climbing has been successful in the final disposition on the merits or otherwise in defense of any action, suit or proceeding referred to in subsection (a) or (b) of this Section 19.1 or in defense of any claim, issue or matter therein, such person shall be indemnified against out-of-pocket expenses (including but not limited to, attorneys' and experts' fees and costs) actually and reasonably incurred by such person in connection therewith.
- d. **Discretionary Indemnification.** Any indemnification under subsections (a) or (b) (unless ordered by a court of competent jurisdiction) shall be made by USA Climbing only as authorized in the specific case upon a determination that indemnification is proper in the circumstance because such person has met the applicable standard of conduct set forth in subsection (a).
- e. **Advances.** Out-of-pocket expenses (including, but not limited to, attorneys' and experts' fees and costs) that are actually and reasonably incurred by a current or former director, committee, working group or task force member, officer, employee, or volunteer in defending any civil, criminal, administrative or investigative action, suit, or proceeding, and who is entitled to be indemnified pursuant to this Section 19.1, may be paid or incurred by USA Climbing in advance of the final disposition of such action, suit, or proceeding upon receipt of an affirmation of such person's good faith belief that he or she has met the relevant standard of conduct set forth in subsection (a) or (b) of this Section 19.1 and an appropriate undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by USA Climbing as authorized in this Section 19.1. Such out-of-pocket expenses (including, but not limited to, attorneys' and experts' fees and costs) reasonably incurred may be paid upon such terms and conditions, if any, as USA Climbing deems appropriate.
- f. **Other Proceedings.** To the maximum extent permitted by law, USA Climbing shall pay or reimburse expenses incurred by any current or former director, committee, working group or task force member, or officer, or any person who may have served at its request as a member, director, committee member, or officer of another corporation, who is eligible to be indemnified pursuant to this Section 19.1, in connection with his or her appearing as a witness or other participant in a proceeding at a time when he is not a named defendant or respondent in the

proceeding, upon request by such person.

- g. Authority.
