

USA Climbing Youth Qualification Series Rankings - Bouldering (PRELIMINARY as of November 24, 2021)

Qualifying for the Regional Championships: At each Qualification Event, climbers who have a Competitor membership at the time of the competition and are competing at a QE located in their Division earn Ranking Points based on what place they finish in their category at the QE. See table below.

- Tied competitors will be awarded the average of the Points allocated for the tied rank positions. For example, if two competitors tie for 6th place in a category, they receive the average of the Ranking Points for 6th and 7th place; $(47+43)/2 = 45$
- Competitors who are Introductory members at the time of the QE do not earn Ranking Points, but they still factor in the Rank placements as do pre-qualified athletes who are competing (see below). In other words, if an Introductory Member finishes 3rd at a QE, the 65 points associated with a 3rd place Rank are not allocated to the next highest Competitor member at the comp. They just receive 55 Ranking Points for their 4th place finish.

Rank	Points	Rank	Points	Rank	Points	Rank	Points	Rank	Points	Rank	Points	Rank	Points	Rank	Points
1	100	6	47	11	31	16	20	21	10	26	5	31	0.95	36	0.70
2	80	7	43	12	28	17	18	22	9	27	4	32	0.90	37	0.65
3	65	8	40	13	26	18	16	23	8	28	3	33	0.85	38	0.60
4	55	9	37	14	24	19	14	24	7	29	2	34	0.80	39	0.55
5	51	10	34	15	22	20	12	25	6	30	1	35	0.75	40	0.50

To determine a competitor's Regional Ranking, the Ranking Points earned at their two best QE performances in that discipline are added together. Competitors are not required to compete in more than one QE in order to be potentially eligible for Regionals.

Eligibility for Regionals: Per section 8.2 of the Rulebook, there are a few paths to earning eligibility to compete at Youth Bouldering Regionals.

For US citizens: be ranked in the top twenty-six (26) in your Region and Category's Youth Qualification Bouldering Rankings when only US citizens are considered and no Regionals pre-qualified athletes are considered. (Non-US citizens and Regionals pre-qualified athletes do not affect another competitor's place in that ranking.)

For non-US citizens: be ranked in the top twenty-six (26) in your Region and Category's Youth Qualification Bouldering Rankings among all athletes in your Region. (Unlike above, non-US citizens and Regionals pre-qualified athletes may affect another competitor's place in that ranking.)

Athletes who are pre-qualified for Regionals are those who:

- are a current World Champion, Pan American Champion, or National Champion in Bouldering in either the Youth or Elite Series; or
- are the current National Champion in the All-Around Combined, among US citizens who competed in all of the Boulder, Lead, and Speed Disciplines at the 2021 Youth National Championships; or
- were ranked in the top three (3) in the National Rankings in Bouldering in the Youth or Elite Series in any category at the end of the 2020-21 season; or
- represented the US in Bouldering at the 2021 Youth World Championships; or
- are a resident of the state of Alaska or Hawaii (Alaska residents compete in Region 12; Hawaii residents compete in Region 31)

NOTE: The rankings of pre-qualified athletes are designated with (PQ) and those of non-US citizens are designated with *
