

2021 USA Climbing Certified Coaches List - Published on 11/23/2021

In order for a Coach Membership to attain "Current" status, the following requirements must be met: 1) a Level 1 or Level 2 Coach Membership is purchased with required coaching verification document, 2) SafeSport Training has been completed through the access in the USA Climbing membership platform, 3) a Background Screen has been completed through the access in the USA Climbing membership platform, 4) current First Aid AND CPR documentation has been submitted and approved through the USA Climbing membership platform. A coach's name will appear on this roster only if all of the above criteria have been met. It is important to note that the absence of a coach from this list could mean that the coach has not applied for, or does not meet the criteria for certification or that the coach has been suspended or banned from certification.
