To Whom It May Concern:

I'm writing to express my interest in remaining on the USA Climbing Board of Directors as an Athlete Representative, now that my term as the USOPC AAC Representative has come to an end. Attached, you will find a summary of my credentials that qualify me for this position, including competition results, experience on committees and task forces within USA Climbing and the USOPC, and experience on youth climbing teams as both a coach and competitor.

It would be an honor to serve on the Board of Directors for an organization that has been a major part of my life for the past 14 years, among a prestigious group of other Athlete Representatives. Thank you for your time and consideration.

Sincerely,
