

USA Climbing Youth Qualification Series Rankings – Lead/Top Rope (PRELIMINARY as of March 15, 2022)

Qualifying for the Regional Championships: At each Qualification Event, climbers who have a Competitor membership at the time of the competition and are competing at a QE located in their Division earn Ranking Points based on what place they finish in their category at the QE.

- Tied competitors will be awarded the average of the Points allocated for the tied rank positions. For example, if two competitors tie for 6th place in a category, they receive the average of the Ranking Points for 6th and 7th place; $(47+43)/2 = 45$
- Competitors who are Introductory members at the time of the QE do not earn Ranking Points, but they still factor in the Rank placements as do pre-qualified athletes who are competing. Example: if an Introductory Member finishes 3rd at a QE, the 65 points associated with a 3rd place Rank are not allocated to the next highest Competitor member. They just receive 55 Ranking Points for their 4th place finish.

A competitor's Regional Ranking is based on the number of Ranking Points they earned at their one best QE performance in the Lead/Top Rope discipline. Competitors are not required to compete in more than one QE in order to be potentially eligible for Regionals.

Eligibility for Regionals: Per section 18.2 of the Rulebook, an athlete may earn eligibility to compete at Youth Regionals via a few paths.

For US citizens: be ranked in the top twenty-six (26) in your Region and Category's Youth Qualification Lead/Top Rope Rankings when only US citizens are considered and no Regionals pre-qualified athletes are considered. **NOTE:** Non-US citizens (who are designated with an *) and Regionals pre-qualified athletes (designated with PQ) do not affect another competitor's place in that ranking.

For non-US citizens: be ranked in the top twenty-six (26) in your Region and Category's Youth Qualification Lead/Top Rope Rankings among all athletes in your Region. (Unlike above, non-US citizens and Regionals pre-qualified athletes may affect another competitor's place in that ranking.)

Athletes who are pre-qualified for Regionals are those who:

- are a current World Champion, Pan American Champion, or National Champion in Lead/Top Rope in either the Youth or Elite Series; or
- are the current National Champion in the All-Around Combined, among US citizens who competed in all of the Boulder, Lead, and Speed Disciplines at the 2021 Youth National Championships; or
- were ranked in the top three (3) in the National Rankings in Lead/Top Rope in the Youth or Elite Series in any category at the end of the 2020-21 season; or
- represented the US in Lead at the 2021 Youth World Championships; or
- are a resident of the state of Alaska or Hawaii (Alaska residents compete in Region 12; Hawaii residents compete in Region 31)

NOTE: There may be some competitors in the Rankings who had Introductory memberships at the time of the QE; if a competitor is found to have competed under an Introductory Membership, the Final Rankings will be adjusted so that their result will not count toward Regional eligibility.

If you believe there is an error in a competitor's ranking information, please email eligibility@usaclimbing.org.
