COVID-19 Countermeasures:

In an effort to hold the safest event possible, **ALL** attendees of this 2022 USA Climbing North American Cup Series being held at Sportrock Climbing Centers on April 27th – May 1st 2022 must adhere to the USAC COVID Countermeasures document posted on the USA Climbing website [HERE](#).

Event Participation

- Registration is open to all competitors who are aged 16 or over by December 31, 2022 and members of their respective National Federation. A competitor's respective National Federation must be a member Federation in good standing of the IFSC

- Eligible competitors shall register for NACS competitions through the National Federation hosting the respective NACS competition. Final registration eligibility will be verified by the competitor's respective National Federation.
- National Federations may register any number of Team Officials (Team Managers, coaches, or qualified medical/para-medical personnel) through their respective National Federation according to the registration procedures and deadlines established by the Event Organizer of each NACS competition.
- Registration:
 - The Normal Registration Period will open Monday, March 28th at 12pm MT and will close Monday, April 11th at 11:59pm MT.
 - The Extended Registration Period will open immediately following the Normal Registration Period and close Tuesday, April 26th at 11:59pm MT. Competitors are subject to a \$50 additional fee during the Extended Registration Period.
- Athletes will be randomly assigned to climbing sessions if there is more than one per gender. See event schedule for more details.

Athlete Check-In & Start Lists

- Start lists will be published following the Technical Meeting.
- All Competitors must check-in during their respective check-in times as outlined on the schedule. Competitors will receive their competition bibs at check-in and will be expected to wear them in the middle of their back throughout the competition.
- Competitor start lists for bouldering shall be random. For speed and lead, route A will be random and route B will be the same as route A but with a 50% stagger.
