

USA Climbing Youth Qualification Series Rankings – Boulder – FINAL – **CORRECTED 12/17/2022**

Qualifying for the Regional Championships: At each Qualification Event, climbers who have a Competitor membership at the time of the competition (or who upgrade their Introductory membership to Competitor by 11:59PM MT on the Monday immediately following the QE) and are competing at a QE located in their Division earn Ranking Points based on what place they finish in their category at the QE (see below for points for the top 40 places; the complete 80-place table that can be found in Rules section 13.1).

- Tied competitors are awarded the average of the points allocated for the tied rank positions, rounded down. For example, a 3-way tie for 2nd place results in 701 points for each of the three (3) tied competitors. $(805+690+610) / 3 = 701.67$, which is 701 when rounded down.
Cases where a competitor tied for a rank at a QE are denoted with a “t” in front of their rank in the ranking spreadsheet.
- Competitors who are Introductory members at the time of the QE and do not upgrade by the deadline do not earn Ranking Points, but they still factor in the Rank placements as do Pre-Qualified athletes who are competing. Example: if an Introductory Member finishes 3rd, the 690 points associated with that Rank are not allocated to the next highest Competitor member. That climber just receive 610 Ranking Points for their 4th place finish.

A competitor’s Regional Ranking is based on the number of Ranking Points they earned at their two best QE performance in the Boulder discipline. Competitors are not required to compete in more than one QE in order to be potentially eligible for Regionals.

Eligibility for Regionals: Per section 12 of the Rulebook, an athlete may earn eligibility to compete at Youth Regionals via a few paths.

For US citizens: be ranked in the top twenty-six (26) in your Region and Category’s Youth Qualification Boulder Rankings when only US citizens are considered and no Regionals Pre-Qualified athletes are considered. **NOTE:** Non-US citizens (who are designated with an *) and Regionals pre-qualified athletes (designated with PQ) do not affect another competitor’s place in that ranking.

For non-US citizens: be ranked in the top twenty-six (26) in your Region and Category’s Youth Qualification Boulder Rankings among all athletes in your Region. (Unlike above, non-US citizens and Regionals Pre-Qualified athletes may affect another competitor’s place in that ranking.)

Athletes who are pre-qualified for Regionals are those who:

- are a current World Champion, Pan American Champion, or National Champion in Boulder in either the Youth, Collegiate, or Elite Series; or
- were ranked in the top three (3) in the National Rankings in Boulder in the Youth or Elite Series at the end of the 2021-22 season; or
- represented the US in Boulder at the 2022 Youth World Championships; or
- are a resident of the state of Alaska or Hawaii (Alaska residents compete in Region 12; Hawaii residents compete in Region 31)

NOTE: (EQ) indicates an athlete who moved Regions during the season and, per section 12.4, has enough Ranking Points from their previous Region to qualify; that athlete is “extra-qualified” and does not impact the eligibility of other athletes in their new Region.
