### **Speed Trial Information:**

USA Climbing is hosting an Elite Speed Trial at Gripstone Climbing & Fitness on April 29<sup>th</sup>, in the evening after the Lead Qualification (*time TBD*).

This Speed Trial is a separate event (*not part of Collegiate National Championships*) and is only open to those who competed at the 2023 National Team Trials (NTT) in the Speed Discipline who have not yet achieved the required NTT Benchmark time (11.0s for women, 8.0s for men).

It is an opportunity for Speed competitors to get an additional set of runs on the Collegiate National Championships Speed wall with the OnPoint Speed timing system, as well as attempt to run times that meet the benchmarks set forth in the Team Selection Procedures document.

The Speed Trial is a separate registration from the Collegiate National Championships Speed competition:

- The registration fee is \$25 and is open now.
- Registration is only open to those who competed in the NTT Speed discipline. Other registrations will be canceled and refunded.
- The deadline for registration is Friday, April 28<sup>th</sup>, 2023 at 11:59pm MT.

The Speed Trial will follow Rule 12.10.1, with the following notes:

- No practice runs or practice round
- A single "Qualification-round" style run; no "Final" round
- Each competitor will be granted one run on each of the two lanes
- A start order will be published at least 60 minutes prior, with the women running first, and the men running after
- A false start will result in the competitor losing the opportunity to run on that lane - the competitor in the other lane will re-run alone.
- A false start in one lane does not affect the competitor's ability to achieve a benchmark time in the other lane.

### **Results:**

Results can be viewed during all rounds of competition on the [USA Climbing Results Website](#) and will be marked “official” there following each round of competition.

Further information on the appeals process will be provided to competitors and coaches during the Technical Meeting.

### **Spectating & Ticketing:**

All spectators will be required to complete a waiver for [Gripstone Climbing & Fitness](#) and [Springs Climbing Center](#) prior to admittance to either facility.
