

## Board of Directors Solicitation | February 19, 2024

At USA Climbing, our mission is to support the well-being, development, and competitive excellence of our athletes as we advance the accessibility and growth of the climbing community nationwide. To advance this mission, we have had the tremendous benefit of drawing on the diverse experience and guidance offered by the volunteer members of the Board of Directors.

USA Climbing relies on the Board's collaborative efforts, as well as their diverse backgrounds, experiences, and involvement in the sport, to provide sound guidance for the organization.

Currently, USA Climbing is seeking three new Directors to help further the mission of USA Climbing. The Board has specifically identified the need to include the valuable perspective and expertise of a climbing gym owner/operator on the Board. Other desired attributes may include, but are not limited to, expertise in sponsorship, sales, fundraising, governance, marketing and media, and interest in Olympic sport. The Board encourages those with unique skillsets and a passion for the sport of competition climbing to apply.

Initial terms for these USA Climbing Board Director positions expire on December 31, 2026, with potential eligibility for one additional four (4)-year term, if renewed. Two positions will commence upon being filled; one position will commence in spring of 2024.

More information on the USA Climbing Board of Directors can be found in the USA Climbing [Bylaws](#). Positions will remain open until filled.

USA Climbing supports diversity, equity, and inclusion in all its forms and strives to incorporate DEI principles into all it does.

If you are interested in being considered for a volunteer USA Climbing Board Director role, please send a Letter of Interest (LOI) via email along with your resume to:

Bruce Mitchell  
Chair, USA Climbing Nominating Committee
