

Training Center High Performance Use Acknowledgement Form

Access to the Training Center is permitted under the following guidelines and restrictions:

- Climbing is inherently dangerous! All individuals utilizing the USA Climbing Training Center do so at their own risk. As specified in the [USA Climbing Waiver](#), USA Climbing is absolved of all liability associated with an individual's use of the USA Climbing Training Center. In addition to this form, all individuals that enter the training center agree to the [USA Climbing Waiver](#).
- Access to the USA Climbing Training Center is only permitted when a USA Climbing Employee is present.
- Training Center access is granted to individuals according to "Athlete Benefits by Tier" document posted on Team USA resource page and/or approved by High Performance Staff.
- Individuals must sign into the check in sheet upon entering the Training Center.
- USA Climbing waiver must be completed by all individuals that enter the training center, regardless of intent, unless USAC Employee.
- US Citizen individuals must have a current USA Climbing Competitor Membership and if coaching a USA Climbing Coach Membership and successfully complete SafeSport training and a background screen (unless participation is associated with a sanctioned USA Climbing competition or otherwise designated).
- Non-US Citizen individuals must have a current USA Climbing International Membership and if coaching, be approved by their respective climbing federation. Unless part of a sanctioned USA Climbing competition or otherwise designated, a successful international background screen must be completed if participation extends past two weeks.
- All individuals utilizing the USA Climbing Training Center must adhere to USA Climbing staff instructions and the following rules:
 - Running is prohibited, except in designated areas.
 - No jumping or flipping off structures or furniture.
 - Climbing is only permitted on the climbing walls.
 - Climbing shoes are not allowed in restrooms.
 - Any bodily fluids or tissue (e.g., blood, skin, etc.) found in the USA Climbing Training Center must be reported to USA Climbing staff immediately.
 - Smoking or vaping is not allowed in the USA Climbing Training Center.
 - No one under the influence of drugs or alcohol may use the USA Climbing Training Center
 - Any injuries sustained in the USA Climbing Training Center must be reported to a USA Climbing staff member immediately.
 - Concerns related to the USA Climbing Training Center's facilities and equipment must be addressed with a USA Climbing staff member.
 - Dogs must be approved by High Performance Staff and must remain in the Training Center Office while in the Training Center, unless leashed, to prevent dog from freely roaming in the Training Center.
 - Other activities in the Training Center (i.e., hold washing, routesetting, packing event materials, etc.) must be approved by a staff member
 - Adhere to the Training Center social media guidelines

I, _____, (Individual) agree to the above Training Center access guidelines and restrictions.
