Eligibility:

Athlete eligibility for the 2024 YETI National Championships is defined in the Team Selection Procedures linked [HERE](#). ALL competitors are encouraged to verify the discipline(s) they are eligible for prior to registering for the 2024 YETI National Championships - this can be found on the YETI National Championships Event Page. Athletes may only register for the discipline of which they are eligible and if found to have registered for a discipline they are not eligible, will be refunded (*less any processing fees*) and removed from the ineligible discipline. For questions regarding eligibility may be directed to trevor@usacimbing.org and/or eliteseries@usacimbing.org.

On the Monday following the finals NACS event (*Monday, October 7th, 2024*), any additional athletes who have earned eligibility by way of this event will be notified directly and will not be subject to the price increase of the Late Registration Period. No previously invited athletes will have their eligibility rescinded by way of any eligibility shifts occurring after results from this event are reflected in the YETI National Championships eligibility rankings.

For non-US citizens who are eligible without a current USA Climbing Membership interested in registering for the 2024 YETI National Championships, please reach out to Trevor Clay (trevor@usacimbing.org and/or eliteseries@usacimbing.org) directly.
