

**THE
NORTH
FACE**

The logo graphic consists of a dark grey, semi-circular shape on the right side of the text. A white, curved line runs along the inner edge of this shape, creating a stylized representation of a mountain peak or a snow-capped ridge.

**THE
NORTH
FACE**

The logo graphic consists of a dark gray quarter-circle shape on the right side. A white curved line, representing a mountain peak, is superimposed on the inner edge of the quarter-circle. The text 'THE NORTH FACE' is positioned to the left of this graphic, with 'THE' on the top line, 'NORTH' on the middle line, and 'FACE' on the bottom line. The letters are in a bold, sans-serif font.

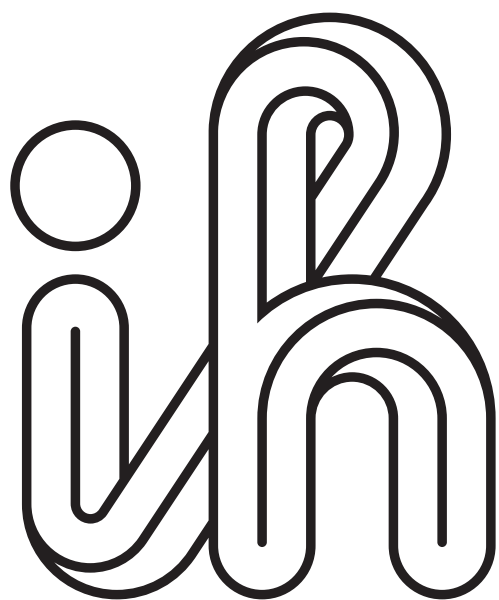

**THE
NORTH
FACE**

The logo graphic consists of a dark gray quarter-circle shape on the right side. A white curved line follows the inner edge of the quarter-circle, creating a stylized mountain peak or dome shape.
