4. General Rules

1. An Appeals Jury shall be appointed for each NACS event as per World Climbing Rules with the following modification:
 - 1.1. At the discretion of the Event Delegate the Appeals Jury may comprise the Jury President and a Head Judge.
2. The deadline for appeals in the Medal Phase is five (5) minutes after the publication of the Official Results, unless the remaining time before that deadline to appeal is waived by all competitors after publication of the Official Results.

5. Boulder Rules

1. NACS Boulder events shall follow World Climbing Series event and Boulder discipline rules except where otherwise noted in this document.
2. Competitions shall take place over three (3) rounds.

3. At the discretion of the Event Organizer, the qualification round for each Category shall be organized in one of the following formats:
 - 3.1. Boulder Contest format as described in this document; or,
 - 3.2. Boulder Flash format as described in World Climbing Youth World Championships Boulder Rules 2021 v1.0; or,
 - 3.3. the format specified within the World Climbing Rules for the qualification round of a World Climbing Series.
4. For qualification rounds using the World Climbing Series format the following modifications to World Climbing Rules shall apply:
 - 4.1. The round will take place on a course of a minimum of four (4) boulders;
 - 4.2. The Climbing Period for the round shall be four (4) minutes where the number of competitors registered in any relevant Category is greater than 60.
5. At the discretion of the Event Organizer and with the approval of two National Federations of the NACS, the qualification round for each Category may be organized in a format other than those explicitly specified in this document. The Event Organizer must submit a description of the proposed format to the National Federations for approval no less than forty-five (45) days prior to the start of the event.
6. The semi-final round for each Category shall have a fixed quota of twenty-four (24) competitors and shall be organized in the format specified within the World Climbing Rules for the semi-final round of a World Climbing Series competition.
7. The final round for each Category shall have a fixed quota of eight (8) competitors and shall be organized in the format specified within the World Climbing Rules for the final round of a World Climbing Series competition.

6. Lead Rules

1. NACS Lead events shall follow World Climbing Series event and Lead discipline rules except where otherwise noted in this document.
2. Competitions shall take place over three (3) rounds.
3. The qualification for each Category should be organized in the format of a World Climbing Series qualification round.
4. At the discretion of the Event Organizer and with the approval of two National Federations of the NACS, the qualification round for each Category may be organized in a format other than that of a World Climbing Series qualification round. The Event Organizer must submit a description of the proposed format to the National Federations for approval no less than forty-five (45) days prior to the start of the event.
5. The semi-final round for each Category shall have a fixed quota of twenty-four (24) competitors and shall be organized in the format specified within the World Climbing Rules for the semi-final round of a World Climbing Series competition.

6. The final round for each Category shall have a fixed quota of eight (8) competitors and shall be organized in the format specified within the World Climbing Rules for the final round of a World Climbing Series competition.

7. Speed Rules

1. NACS Speed events shall follow World Climbing Series event and Speed discipline rules except where otherwise noted in this document.
2. Competitions shall take place over two rounds, other than where the number of competitors register in a Category is less than four (4).
3. The final round shall be organized according to World Climbing Rules with the following modification:
 - 3.1. If in any Category, less than four competitors have at least one valid result from the qualification round, the relevant qualification round shall be repeated (once only). If, following this repeated qualification less than four competitors have at least one valid result, no final shall be held for that Category.

10. Anti-Doping

1. The anti-doping policies of the National Federation of the host country shall apply to each NACS event and anti-doping testing may be administered in accordance with such policies.

11. Boulder Contest Format

1. The Contest Format is a fixed period, “flash” format, conducted without demonstration.
2. The Event Organizer shall have the Head Routesetter prepare six (6) to ten (10) boulders, inclusive, to be assigned to each category.
3. In Boulder Contest Format, competitors have the goal of completing the highest quantity of boulders, where each boulder has the same value and scores on all boulders are counted.
4. A competitor shall be scored as for an Isolation Boulder competition.
5. The Event Organizer may apply a limit on the total number of attempts a competitor may make on a given boulder. Each attempt shall be recorded.
6. Competitors shall be permitted a minimum of two and a half (2.5) hours to climb. The minimum time requirement may be waived in response to a timely request by the Event Organizer to the National Federation of the host country. At the discretion of the Jury President, the minimum time may be extended, but not shortened.
7. The start and end of the climbing time shall be announced by a loud signal. The end of the round shall be preceded by a warning signal when five (5) minutes of time remains.
8. Boulders may be marked using a single colour of holds and shall be marked accordingly where this is the case, any holds in a different colour shall be considered for judging purposes as if demarcated as ‘out of bounds.’ Colour-blind competitors must be identified

as such to the National Federation of the host country and to the Event Organiser prior to the registration deadline for the competition.

9. Competitors may attempt the boulders in any order and shall indicate which boulder they intend to attempt by handing their scorecard to the relevant Boulder Judge. Competitors shall attempt the boulder in the order in which their scorecards are handed to the Boulder Judge. If a competitor is not ready to attempt a boulder when called by the Boulder Judge, the relevant competitor shall be moved to climb last among those who, at that time, have indicated their intent to attempt that boulder.
10. If a technical incident occurs affecting any boulder:
 - 10.1. the boulders affected by a technical incident shall be closed until the incident is cured.
 - 10.2. any competitor directly affected by the technical incident shall have the relevant attempt discounted, e.g., if a technical incident occurs on the competitor's 1st attempt on the relevant boulder, their attempt following restoration of the boulder shall be treated as their 1st attempt. Note that if a competitor achieved the zone hold during the relevant (affected) attempt, then the competitor shall be awarded the zone hold on their attempt following restoration of the boulder, regardless of their progress on that attempt, and if such a competitor does not make another attempt on the boulder, they shall be awarded the zone hold on that affected (technical) attempt.
 - 10.3. If the restoration time is less than or equal to 10 minutes, the affected boulders shall be reopened and no additional time allocated. If the restoration time is more than 10 minutes, the relevant boulders shall be cancelled, unless such cancellation would result in the course comprising less than 6 boulders. In such circumstances, the duration of the round shall be extended by the amount by which the restoration time exceeds 10 minutes.
