

Image Use Policy

Revised: 5/26/26

I hereby authorize USA Climbing, its officers, employees, agents, affiliates, licensees, contractors, successors, and assigns, ("USAC") to use my name; likeness, including my picture, portrait, or other image; and voice; (or the name; likeness, including the picture, portrait or other image; and voice of my minor child/ren on behalf of whom I am authorizing consent) separately or together, in any and all media, whether now existing or hereafter created, for purposes of advertising and trade associated with USAC, or relating to the products or services of USAC. USAC shall have the right to, alter or edit any captured image of my likeness or recording of my voice (or that of my minor child/ren noted above) in any manner it deems appropriate, and to use such name, likeness, and voice in conjunction with text, sound, and other images, including the likeness of others and to copyright any such uses. Any such use by USAC will comply with the Minor Athlete Abuse Prevention Policy's requirement that photographs or videos of athletes be taken in public view and observe generally accepted standards of decency. I hereby acknowledge that I will not receive any compensation from USAC for the use of my, or my child's/children's, name; likeness; and voice. I further release, waive, discharge, and covenant not to sue USAC based on the use of my, or my child's/children's, name; likeness; and voice, including alterations, or edits thereto, for purposes of advertising and trade associated with USAC.
