

2027 Collegiate Scholarships

USA Climbing is offering two scholarship opportunities to our Collegiate Members:

- Climbing Ambassador Scholarships (AMB)
- Diversity, Equity and Inclusion Scholarships (DEI)

Both the Collegiate Climbing Ambassador Scholarship and the Diversity, Equity and Inclusion Scholarship are an opportunity for competitors to demonstrate how they have become an ambassador for the sport of climbing and how they make climbing a more inclusive space.

USA Climbing will be awarding \$3,000 in scholarships: first place \$1,000 and second place \$500 for each scholarship.

To be considered, applicants must be a current Collegiate Member and submit a resume and an essay based on the prompt for the scholarships. Each application submitted by the deadline will be read by the members of the Collegiate Committee, USAC National Coordinators and members of USAC Staff and graded according to the following rubric on a scale of 120 points: 20 points for the resume and 100 points for the essay.
